RE: Courtesy Letter Regarding Level III Grievance Decision of Frisco ISD Board of Trustees, Issued October 19, 2026

Dear Mr. Jordan,

The Frisco Independent School District's Board of Trustees met at a regular noticed meeting on Monday, October 19, 2026. At the meeting, the Board considered your Level Three grievance appeal. The Board heard oral presentation, reviewed the record in this matter and carefully deliberated regarding your concerns and the relief you requested. After deliberation in closed session, the Board returned to open session, and voted by a vote of 7 – 0 to uphold the Level Two decision and deny your appeal. However, the Board agreed to rescind your suspension at FISD Iron Horse due to your student no longer being in the program. Please note that this rescission does not preclude the District from issuing a new suspension should a similar incident occur at an FISD related event. All other remedies not already granted, were denied.

This decision is final and non-appealable within Frisco ISD. Your right to appeal the Board's decision is subject to the provisions of the Texas Education Code. Thank you for your courtesy and attention to this matter.

Sincerely,

Shelley Anderson
